I _____wife of/daughter of Shri _____, aged about_____years,

resident of (Permanent address)_____

Presently residing at_____Contact No_____

do hereby voluntarily give my consent to the termination of my pregnancy at aforesaid Stree Clinic of Parivar Seva Sanstha.

(Only if woman is < 18 years or mentally ill, to be filled by guardian)

I_____son/daughter/wife of Shri_____aged about_____years,

resident of (Permanent address)_____

Presently residing at_____,do hereby voluntarily give my consent to termination of pregnancy at aforesaid Stree Clinic of Parivar Seva Sanstha, of my ward _____aged_____years, who is a minor/mentally ill person. Contact No_____

Information and Underaking

i. I/my ward agree to undergo termination of pregnancy under Local/Sedation/General Anesthesia.

ii. I affirm that I have made an informed choice of Medical/Surgical (evacuation)/ medicated method of termination of pregnancy based on the information known by me and/ given to me, including various side-effects/complication, limitations, chances of failure, chances of infertility and benefits of all currently available methods of termination of pregnancy. There has been no pressure on me from Stree Clinic of Parivar Seva Sanstha or its staff or anyone else.

iii. I agree to provide correct information such as general issues, clinical and menstrual history, including correct date of my/ my ward's last menstrual cycle to the clinic counselors/nurses/ doctors, and shall be solely liable for any implication and/or complication arising due to incorrect information or non-disclosure of relevant information.

iv. In case of gestation above 20 weeks, I agree to get the ultrasound report done if advised by the clinic doctor. I understand that the doctor has to be sure of the gestation and any life - threatening anomaly in the growing fetus.

v. I am aware that I /my ward is undergoing a procedure that carries an inherent element of risk due to the procedure itself and /or administration of drugs including anesthesia.

vi. The termination of pregnancy above 20 weeks is done in two stages with drugs administered on two different days, I agree to return/bring my ward empty stomach to the clinic on the Day 2 evening / Day 3 at the time given by the clinic for intake of the second drug, administration of intracervical Foley's Catheter and /or further completion of abortion procedure.

vi

vii. I understand that if I / my ward does not take second drug as advised, the continuation of such pregnancy can cause serious birth defects in the developing foetus and subsequent serious complications following it. I agree that I will be fully responsible for this lapse and will exonerate Stree Clinic/ Parivar Seva Sanstha/ its staff fully from any consequences.

viii. If any unforeseen condition arises during the course of the procedure as a consequence of the same, I further consent and authorize Stree clinic of Parivar Seva Sanstha to (a) administer any medication as deemed advisable; or (b) perform any operative procedures as required; or (c) have me/my ward admitted to a hospital/nursing home facility, if required. I understand and agree that if transfer to a hospital/nursing home facility is required, the organization does not assume any responsibility for either the expenses incurred therein or for the expenses, which may be incurred should a complication develop as a consequence of any of the procedure or later on.

ix. I / my ward also agrees to visit the clinic again within 7 days for follow - up after abortion or as directed by the doctor to ascertain that the pregnancy has been successfully terminated. If there is any incomplete evacuation/retained product of conception, I / my ward will agree for further necessary intervention (if required). If I / my ward fails to do so, I / my ward will be fully responsible for all the consequences for non-compliance of instruction.

x. I undertake that the informed indication of termination of this pregnancy by me is according to the MTP Act & Rules 2021 and I further authorize Parivar Seva / Stree Clinics to terminate this pregnancy with the method best in the circumstances.

xi. I also know that any property brought into the clinic is brought in at my own risk and that the organization will not accept any responsibility for loss or damage to the same.

xii. In the event of failure to comply with instructions, I exonerate Stree Clinic of Parivar Seva Sanstha and its staff of all consequences resultant thereof or thereto.

xiii. The above has been explained to me in a language fully understandable by me.
