Consent for Treatment

1. I acknowledge that the doctor has explained to me the risks to health/ life due to interfered pregnancy, following attempted termination outside/ self-medication/ spontaneous onset of abortion / miscarriage, if this interfered pregnancy / dead fetus is not evacuated soon. I have also been explained the nature of the problem, condition, the type of treatment and the nature of the proposed procedure, its expected benefits, as well as possible complications, discomforts and the risks associated with performance of any surgical procedure that may arise, including various side effects, limitations, chances of failure. We have discussed alternatives to the proposed treatment and risks and consequences of these alternatives or of no treatment. I have been given an opportunity to ask questions and all of my questions have been answered to my satisfaction.
2. I hereby request and authorize that the following operations/ procedure _____ be performed
3. I also consent to the administration of such Anesthesia / Sedation / Analgesia as is considered necessary. I recognize that there are always risk to life and health associated with anesthesia. Such as severe bleeding, infection, cardiac arrest and others, leading to a fatal outcome.
4. I agree to provide correct information such as general issues, clinical and menstrual history, including correct date of last menstrual cycle to the clinic counselors/nurses/doctors, and shall be solely liable for any implication and/or complication arising due to incorrect information or non-disclosure of relevant information.
5. I give consent for administration of blood to me, if required. I have been told of the immediate and long - term problems associated with blood transfusion. I agree that if blood is needed, arrangement has been made for it against voluntary donation from any authorized blood bank.
6. I am aware that there may be other risks or complications not discussed that may occur. I also understand that during the course of the proposed procedure, unforeseen conditions may arise or may be revealed. As a consequence of the same, I further consent and authorize Stree Clinic of Parivar Seva Sanstha to (a) administer any medication as deemed advisable; or

(b) perform any operative procedures as required; or (c) have me admitted to a hospital/nursing home facility, if required. I understand and agree that if transfer to a hospital/nursing home facility is required, the organization does not assume any responsibility for either the expenses incurred therein or for the expenses, which may be incurred should a complication develop as a consequence of any of the procedure or later on.

7. I acknowledge that no guarantees or promises have been made to me concerning the results of this procedure or any treatment that may be required as a result of this procedure.
8. I further agree that it is my responsibility to get an Ultrasound done after the procedure to within a day of procedure to identify incomplete procedure or any complications. I agree to immediately come with the Ultrasound / Other reports to the Stree Clinic of Parivar Seva Sanstha within the working hours of the clinic. If beyond and in an emergency, I agree to follow the Instruction sheet. If I fail to do so, I shall not hold the treating Stree Clinic Doctor or Parivar Seva Sanstha responsible for any loss encountered physical or financial.
9. I agree to come for follow-up to the clinic within 7 days of the procedure / as advised by the treating doctor / SOS- if any issues, failing which I shall be responsible for the consequences, if any.
10. I fully understand that 100% success rate of the procedure cannot be assured and therefore I agree to abide by the Discharge Slip and Post abortion instructions copy of which have been received, read and fully understood by me.
11. I also know that any property brought into the clinic is brought in at my own risk and that the organization will not accept any responsibility for loss or damage to the same.
12. In the event of failure to comply with instructions, I exonerate the Stree Clinic/Sanstha from all consequences resultant thereof or thereto.
13. I have been explained to me in language fully understandable by me. I understand what has been discussed with me as well as the contents of this form. I have been given the opportunity to ask questions and have received satisfactory answers.
