Consent for Treatment

- I acknowledge that the doctor has explained to me the nature of my condition and type of treatment.
- I hereby request & authorize that the following operations/procedure _____ are to be performed on me / my ward.
- I understand that during the course of the operation or procedure unforeseen conditions may arise which necessitate procedures different from or in addition to those we have discussed. I consent to the performance of additional operations and procedures which are considered necessary.
- I also consent to the administration of such anesthesia as are considered necessary for any of the purpose. I recognize that there are always risks to my life and health associated with anesthesia.
- The doctor has explained to me the nature of the proposed procedure and the expected benefits, as well as to the possible complications, discomforts and the risks that may arise. We have discussed alternative to the proposed treatment and risks and consequences of these alternatives or of no treatment. I have been given an opportunity to ask questions and all my questions have been answered to my satisfaction.
- In case during my treatment, I experience any drug reaction, I authorize the treating doctor of Stree Clinic to administer the necessary drugs essential for my well-being.
- I have also been informed that there are risks associated to the performance of any surgical procedure and anesthesia/ sedation such as severe blood loss, infection, cardiac arrest and others, including death.
- I agree that if blood is needed for myself/my ward, I will arrange for it against voluntary donation from any authorized blood bank. I give my consent for administration of blood to me/my ward. I have been told of the immediate and long-term problems associated with blood transfusion.
- I further give my consent and authorize the treating doctor/Stree Clinic to – (1) Administer any necessary medications, (2) Perform any additional procedure, and (3) admit or transfer to higher facility, if so required, in such occasion(s), the organization does not assume any responsibility for either the expense incurred therein or for the expenses which may be incurred should any complication develop as a consequence of any of the procedure or later on. I also release Stree Clinic from all responsibilities of the effects and risks of the procedures.
- I agree to abide fully to all the post-operative instructions, advice, and will come for follow-up as per the advice of the treating doctor, failing which I shall be responsible for the consequences, if any.
- I also know that any property brought into the clinic is brought in at my own risk and is under my control and that the organization will not accept any responsibility for loss or damage to the same. I further agree to give correct information on the general issues and the clinical history including correct date of last menstrual period (for female clients) to the clinic counselor/nurse/ doctors, and shall be solely liable for any implication and/or complication arising due to non- disclosure of relevant information.
